Explanation

Our registration as a Charitable Incorporated Organisation (CIO) in March 2017 means that we are still a charity but also have the status of a company which gives the trustees greater confidence in establishing contracts, etc. Our CIO constitution enables all those interested in ensuring that Henbury and Brentry is a great place to live, work and play to register as members. Only registered members are able to elect the trustees of our CIO. Thus, if you have the interests of community at heart, you are strongly encouraged to sign up as a member. You will be very welcome and will, as a member, be kept up to date with events and developments.
